Dodge County Board of Supervisors Seeking Input for County Strategic Plan

The Dodge County Board of Supervisors is in the process of developing a Strategic Plan to focus on future countywide priorities. As part of the process, Board members are seeking input from county residents, employers and community stakeholders via an on-line survey regarding priorities of greatest interest. Board Chair, Russell Kottke states “we encourage interested parties to complete the on line survey to help us in the development of the plan. This first-ever strategic plan will identify future priorities and will assist the Board in making budgetary and programmatic decisions.” The survey period will open on Wednesday, June 23rd and end on Friday, July 23rd and it is available through the Dodge County website, www.co.dodge.wi.gov. Please help shape the future of Dodge County by completing the survey.

County Board Strategic Planning meetings are held at 6:00 p.m. the third Wednesday of each month at the Dodge County Administration Building, 127 E. Oak Street, Juneau. The public is welcome to attend and observe the strategic plan meetings. Mr. Brett Remington, Blue Rock WI is facilitating the planning process.
